

Dear Dance Students and Parents,

Performing is a vital part of a dancer's training and we encourage each student to participate in this special opportunity!

We are pleased to announce our **Winter 2010 Dance Performance "Space Ballet" will be held on Thursday, January 21 at 7:00pm** in the auditorium here at the Community School of the Arts. "Space Ballet" is a delightful dance filled with stars, planets, meteors and comets.

We will begin practicing some of the steps for this performance during our regular weekly classes but official rehearsals will occur January 4-21, 2010. **The performance registration form and fees are due by Saturday, November 21st.**

FEES:

- Intro to Dance and Pre-Ballet students: \$75 *
- Ballet I, II, III and IV level students: \$100 *

Each dancer will receive two complimentary tickets to the performance; additional tickets are \$5.00 each.

Parents please note that we would love all dancers to participate! The minimal fees associated with this special performance class are used to compensate the teaching artists (Miss Kim and perhaps others) for their time, and to purchase costumes, props, and other supplies.

*Scholarships are available for those who qualify.

Each Ballet Dancer will wear their own pink footed tights and ballet slippers or Pointe shoes and Miss Kim will provide (and keep) additional costume pieces.

Rehearsals will be scheduled after the performance roster has been determined. Please know that all REHEARSALS ARE MANDATORY. Rehearsals must take precedence over all other activities during rehearsal weeks. We know this may seem strict, but it is extremely disruptive if a dancer misses rehearsal when choreography is being taught. There will be two to five rehearsals per week; pre level students will have fewer rehearsals than beginning, intermediate, and advanced level students. (Please email Miss Kim: misskim@kcya.org a note as soon as possible to discuss a potential conflict; she may be able to work with you.)

Please return this registration form to the CSA Registrar, Olivia Jones, as soon as possible; Miss Kim will create the specific rehearsal schedule based on how many dancers enroll.
